

BAWER **ADVICE**

ITALIANO

Per il corretto assemblaggio, consultare la presente scheda di montaggio e la scheda di sicurezza allegata. Si raccomanda la verifica del serraggio con frequenza semestrale.

ENGLISH

For correct assembly, refer to this assembly sheet and the enclosed safety data sheet. We recommend checking the tightening every six months.

FRANÇAIS

Pour le correct assemblage, veuillez consulter la fiche de montage et la fiche de sécurité en pièce jointe. Nous vous recommandons de bien vérifier le serrage tous les six mois.

ESPAÑOL

Para un montaje correcto, consultar esta hoja de montaje y ficha de seguridad suministrada. Se recomienda la verificación del ajuste cada seis meses.

DEUTSCH

Für die korrekte Montage, beziehen Sie sich bitte auf das Montageblatt und das beigefügte Sicherheitsblatt. Wir empfehlen die Schrauben halbjährlich zu überprüfen und ggf. nachzuziehen.

ASSEMBLY **STEP 1**

CHECK WHICH TUBE YOU HAVE

FOUR POSITIONS

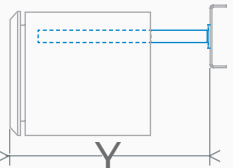

SIX POSITIONS

FAST MOUNTING - MULTI HOLES TUBE

CHECK INFO
BELOW
